The Vision

- Bringing **community-led place-making** projects to life, a focus on wider community benefit, leaving a real legacy
- £100m of capital funding available over a five-year period
- Community Vision for 2030 - Surrey is a place in which communities feel supported and people can support each other, where people feel able to contribute to their community and no-one is left behind
- Building **active and participatory communities** - people feel a genuine sense of ownership of the environment around them and where a voice is given to new and underrepresented ideas
- **New relationship with residents**, enabling them to do more to help themselves and each other
- Supports the Covid-19 recovery phase, stimulating local communities

Key principles

- An easy-to-use application process designed with resident input
- An open, transparent and supportive approach
- Ensuring wide access to the fund so all communities in Surrey can benefit
- Focus on community led and initiated projects
- Keen to see innovative project ideas come forward
- No direct competition between applicants, encouragement to share ideas or expertise, join up
